

Invitation to the

Hollylea Road Festival

*As proprietors of Reno Smash Repairs, Extone Automotives and Dakota Customs Engineering, we would like to invite you to join us this year in supporting the **24 HR FIGHT AGAINST CANCER, MACARTHUR.***

In September 2010 we ran our second highly successful yearly event featuring Cars, Motor Bikes and 4 Wheel Drives, attracting a huge interest from local and out of town residents and motor enthusiasts. In turn, this enabled us through sponsorships and donations, to raise a staggering \$20,000.00 for the 24 hr Fight Against Cancer Macarthur and our local hospitals.

*This year we would like to share the event with other Business Proprietors, by promoting an event to be marked as the **HOLLYLEA ROAD FESTIVAL.** This event will be held on Sunday 11th September 2011 from 9.00am.*

How can you help?

We wish to invite you to become involved as a sponsor. To participate on the day and to promote your business to those in attendance by, either sponsoring a trophy, (for information on sponsoring a trophy, please call John 0410511053) handing out flyers, product samples, erecting stalls or donating raffle and lucky door prizes, or a cash donation. Donations of \$2.00 or more are fully tax deductible. We intend to have Food and Drink and entertainment both for the mums and dads as well as the kids in a bid to make it a fun day for current and potential customers. We would also like your feedback on approaching Campbelltown City Council with a request to close the road for duration of the festival.

Where will the proceeds go?

*Every family, sooner or later is touched by Cancer. This year, we hope to do better than last. So! All the funds raised this year will go to the 24 Hr Fight Against Cancer Macarthur which supports The Macarthur Cancer Therapy Centre, the Paediatric Ambulatory Care Unit at Campbelltown Hospital and the Palliative Care Unit at Camden Hospital. These hospitals treat local adults and children with cancer. These funds in the past have purchased vital medical and support equipment, funded an award-Winning information DVD for cancer centre patients and their families. They also purchased a Patient Transfer Bus to drive those receiving Chemotherapy and Radiation Treatments to their appointments. **100%** of every dollar raised goes to our local hospitals – **NOT** to administration or paid staff. All our helpers are volunteers.*

Become Involved

*We need your help and welcome any suggestions you may have to enable us together, to make this event a very **“Successful, Worthy Cause”!** So! We stress the importance and appreciation of your support.*

I ask if you could please contact me in regards to your Trophy Sponsorship or any kind Donation by 31st July 2011.

Thank You for your support!

John.
