Small Business September Event Celebrating Local Women In Business

Come to an inspiring event & network with like minded business women!

Keynote Speaker - Channel Seven's Finance Expert - Julia Bickerstaff presenting on the topic of 'Designing a Profitable Business'.

About Julia

Julia's expertise is the art and science of designing profitable small businesses. She is the founder of The Business Bakery and Butterfly Coaching, the author of How to Bake a Business, the finance expert on Channel 7's Kochie's Business Builders and the writer of Smartcompany's profitable growth column.

Julia has been working with small and medium sized entrepreneurial business across a wide range of industries for over twenty years. She is a chartered accountant, an economist and a mother of four.
