

Ladies Suit Drive

Dress For Success is a non for profit organisation designed to promote the economic independence of disadvantaged women by providing professional attire and the career development tools to help women thrive in work and in life. Last year the ladies from the Sydney based centre supported 18 local Macarthur students by supplying them with great outfits. In preparing for work activities students looked very professional and their self esteem was lifted. Similar workshops are planned for this year.

To thank Dress for Success, the students and teachers are hoping to gain the support of local business women and together return the gesture by taking part in a Macarthur Ladies Suit Drive. Any professional attire you may have that is still in good condition but you no longer wear is what is needed; pants, jackets, shoes, bags and shirts. By working together we can thank Dress for Success for supporting the young women of Macarthur.

All donations will be collected at the next BRAS network meeting. Any enquires please contact Dianna Ames on 46251863 or email dianna.ames@mwlp.com.au
